

*Name: Darina El Dirani*

*Novelty Language Center*

*Course Title: Russian Language Foundations*

*Level: A1*

### **Short Description**

This course introduces the foundational elements of the Russian language, including phonetics, grammar, vocabulary, and essential expressions. Through 25 sessions, learners will develop basic communication skills in Russian and gain confidence in practical usage for daily situations.

### **Learning Outcomes**

By the end of this course, learners will be able to:

- ✓ Recognize and pronounce Russian letters, vowel stress, and consonant clusters.
- ✓ Understand and use gender, plural, and pronoun systems.
- ✓ Build vocabulary for everyday situations (transportation, family, nature, directions, etc.).
- ✓ Conjugate common verbs and use them in basic tenses.
- ✓ Distinguish between types of pronouns and their usage in context.
- ✓ Form and use adjectives, comparatives, and superlatives accurately.
- ✓ Express time, directions, and case usage in real-life conversations.
