**Course Essentials:**

**Course Title:** *Grammar Intermediate Course*

**Short Description:**

This course is designed for intermediate learners who want to improve their grammar knowledge and usage in everyday communication. Each lesson includes clear explanations, helpful examples, and engaging practice activities. By focusing on real-life application, learners will strengthen their grammar foundation and use English more accurately and confidently in both writing and speaking.

**By the end of this course, learners will be able to:**

1. Identify and use the four types of sentences correctly.
2. Apply the present simple and present continuous tenses in context.
3. Use the past simple tense to describe past actions.
4. Express future plans and predictions using *will* and *going to*.
5. Use *can* and *could* for ability, permission, and polite requests.
6. Form comparatives and superlatives to compare people, places, and things.
